

ZOOM PRODUCT INFO

All Zoom Baby products are handmade in Scotland for children aged 0-4 years.

We have sourced the most unique, stylish and comfortable 95% jersey cotton and 5% elastane fabric.

We offer a range of products to coordinate for your little one ... leggings, bibs, headbands and our 'matching mummy' headbands! All prints are named after little people in our life.

The leggings feature an elastic waistband and all leggings come in either our signature 'Harem' style or a slimmer fit 'Straight Cut' style with a slightly narrower waistband and slimmer leg.

You will not be disappointed with the designer quality of all of our items.

We pay huge attention to detail here at Zoom Baby and have product tested all of our items to ensure durability and longevity.

All items may take up to two weeks to hand make but we aim to have them delivered to you as soon as possible. We post with Royal Mail, second class delivery.

Please take special care when machine washing at 30 deg and do not tumble dry to keep the best quality, shape and colour. Iron inside out also.

HEADBAND MEASUREMENTS

The headbands are one complete self-tie length of material with zoom label. We do not use elastic or velcro as we found this did not give the most comfortable fit. Our jersey fabric has just enough stretch and the headbands stay put.

Head Circumference

- 0-6 months 37cm
- 6-12 months 39cm
- 1-2 years 40cm
- 2-4 years 43cm
- Mums One Size 58cm

DRIBBLE BIBS

One Size

The dribble bibs feature a double popper detail for the best fit and size adjustment. They are luxuriously lined with thick fleece fabric, ideal to keep your little ones neck and t-shirt dry for longer!
